song of old? Good news. Yea! good news to me, to you. Lo! our King has come to earth, Then

come with ca-rols hail His birth. Christ is born to - day, Christ is born to - day.

2. Come, sinners, too, with saints rejoice,  
With one accord lift up your voice,  
You to Him may all belong,  
Sing! then!  
Hear the everlasting song,  
Peace and joy must reign supreme,  
Christ shall all the world redeem.  
Christ was born to-day.
3. Come, rich and poor, let all rejoice,  
With one accord lift up your voice,  
Op'd are Zion's portals wide,  
Ever.  
Now we may in Him confide,  
Joyful sing this Holy song,  
And singing join the Heavenly throng.  
Christ was born to-day.

4. Then linger not, but hasten on,  
While now we hear the angel's song,  
Time is fleeting fast away,  
Come! then!  
Lo, the brightness of the day,  
Warns you soon will come the night,  
Join then now that Christian fight,  
Soldiers brave and true.
5. Oh, blessed Savior! hear our song,  
We long to join the Heavenly throng,  
May we all be sanctified,  
Holy.  
Thou, our King art glorified,  
May we all Thy glory see,  
And joyous ever sing to Thee  
Holy songs of joy.
